ENTRY NUMBER _____

Please use this section to describe your building of the year entry. Please be as specific as possible in the space provided—the information will be used in your press release and news article for *Frame Building News*.

I. BUILDING USE/IMPORTANCE: *Please describe how the building will be used. Why is it important?*

II. UNIQUE FEATURES: *What are the building's unique features that make it deserving of recognition? These may include (but are not limited to) construction techniques, materials, design features, environmental impact, and innovative design.*

III. POST-FRAME ADVANTAGE: *What role did post-frame construction play in this project? Why was post-frame construction chosen over other types? (i.e. steel frame)*

IV. NEWSWORTHINESS: *Provide particular details about the building you would like to see in a news release. Use quotes from the customer, builder, or others.*
