

The National Frame Building Association

Growing the Industry—and Your Business—Is Our Priority

How does NFBA Membership Benefit Your Business?

Whether you are a builder, supplier, code professional or other, NFBA membership can help your business grow, and help you and your employees grow professionally.

Here are just some of the ways that your business can benefit by joining NFBA.

KNOWLEDGE helps you make smarter business decisions.

- **Technical expertise** including bulletins and reports detailing best practices and new developments.
- **Seminars at Frame Building Expo** focus on sales/marketing, crew training and technical knowledge.
- **Industry trend data** to identify growth opportunities and benchmark your company's performance.

GROWTH OPPORTUNITIES offers ways to grow your business' bottom line.

- **Business referrals** connect you with leads in your area looking to buy.
- **Penetrating new markets** like commercial and other non-ag segments via marketing programs (PFMI).
- **Exposure for your business** via directory listings in Frame Building News and on the NFBA website.
- **Networking** connects you with buyers, industry leaders and key decision makers.

ADVOCACY provides a voice for the industry, and credibility for your business.

- **Technical experts** available to answer your questions and provide guidance.
- **Legal advice** provides access to an opinion from an expert familiar with their business.
- **Safety programs** to promote safe construction practices and minimize workplace accidents.
- **Credibility with customers** via NFBA's Accredited Post-Frame Building Program.
- **Collaboration with standards organizations** to advocate for post frame's interests.

SAVINGS mean you receive extraordinary value for your membership dues.

- **Free legal and technical advice** can save you hundreds, if not thousands, of dollars each year.
- **Discounts at Frame Building Expo** save you 50% on registration, and hundreds of dollars to exhibit.

Your business is sure to benefit from the many opportunities that NFBA offers.

For additional questions on member benefits visit NFBA.org, or call Member Services at 800.557.6957.

Standards of Professional Conduct

In as much as it is my belief that my reputation in the Building Industry is dependent upon my devotion to the highest ideals of honesty, courtesy, and integrity, as evidenced by my willingness to conduct business in a spirit of fairness and equality for all; and in as much as the National Frame Building Association has dedicated itself to the same high ideals of professional responsibility, I hereby agree to abide by and to conduct business in accordance with the following Code of Ethics:

1. I shall at all times **exercise the utmost integrity** in all of my business transactions and in all my relations with customers, employees, suppliers, and competitors.
2. I shall **refrain from the use of false or misleading advertising** and will honor the written and approved purchase agreement of my customers.
3. I shall **make no false statements** or circulate harmful rumors about my competitors' product, business, financial or personal standing.
4. I shall endeavor to **abide by present and future building standards** of the National Frame Building Association.
5. I shall make every effort to **preserve my customers' trust and good faith** by providing the service and repair parts which he or she may need.
6. I shall dedicate myself to the **promotion of professionalism** within my industry, and I shall work diligently to build and perpetuate continuing consumer faith and trust in the National Frame Building Association builders.
7. I shall faithfully **stand behind the work I perform** and the products I sell in accordance with manufacturers' recommendations and warranty.
8. I shall, in good faith, furnish to the proper building authorities all certifications which are required of me, regarding professional or structural engineering and loading standards.
9. I shall **encourage my fellow employees, my fellow members** of the National Frame Building Association, **and my colleagues to adhere to this Code of Ethics.**

Membership Application

For more than 50 years, the National Frame Building Association (NFBA) has represented the interests of builders, suppliers, distributors, academics, and code and design professionals serving the U.S. post-frame industry. Its mission is to lead and support members in their efforts to promote the growth and expansion of post-frame construction projects.

Join NFBA for access to resources that help you build your post-frame business.

Education

With the right information, you can make smarter business decisions. You will stay ahead of the competition while impressing your customers.

- Technical Resources – Learn best practices and new developments directly relevant to your business.
- Frame Building Expo Seminars – Attend discounted seminars at the Frame Building Expo
- Industry Trend Data – Benchmark your performance against peers' performance and identify growth opportunities.

Growth

Opportunities abound for you to increase your business' bottom line.

- Business Referrals – Lead generation programs send referrals straight to your inbox
- Penetration of New Markets – NFBA's market development program advances post-frame into new markets.
- Exposure – Be seen in directory listings in the NFBA Directory and on the NFBA website

Advocacy

NFBA is the voice of the post-frame industry, and members gain instant credibility when they join.

- Legal and Technical Expertise – Obtain guidance from NFBA's Experts at no additional charge
- Safety Programs – Show your commitment to safety and earn goodwill from employers and customers
- Credibility – Participate in the Accredited Post-Frame Builder program to earn credibility with customers.

Become an Accredited Post-Frame Builder

and be publicly recognized for your commitment to professionalism and quality in ethical business practices, safety, and education

The Accredited Post-Frame Builder (APFB) Program recognizes builders who embrace programs and policies that promote quality and customer satisfaction. APFB status sets your company apart from the competition and entitles you to use the APFB logo on your company letterhead, business cards, and other marketing materials. In addition, your company is highlighted in the “Find a Builder” section of the National Frame Building Association (NFBA) website (www.nfba.org), in the membership directory, and at the Frame Building Expo.

As an Accredited Post-Frame Builder, you are authorized to use the following language on all bid documents:

(Your Company Name) has been recognized by the National Frame Building Association as an Accredited Post-Frame Builder for its commitment to ethical business practices, safety, training, and quality service.

To renew your accreditation every 2 years, one or more employees of your company must earn 12 continuing education units (CEUs) within that time by attending educational programs at the Frame Building Expo, NFBA webinars or chapter programs, or other preapproved events.

As industry professionals, we want our customers and the general public to know that we care about industry standards, high-quality workmanship, safety, and ethical business practices. Set your company apart from the competition by completing the application and returning it with payment.

Complete the application form on the reverse side and become an Accredited Post-Frame Builder today!

Standards of Professional Conduct

Inasmuch as it is my belief that my reputation in the building industry is dependent upon my devotion to the highest ideals of honesty, courtesy, and integrity, as evidenced by my willingness to conduct business in a spirit of fairness and equality for all, and inasmuch as the National Frame Building Association has dedicated itself to the same high ideals of professional responsibility, I hereby agree to abide by and to conduct business in accordance with the following Code of Ethics:

1. I shall at all times **exercise the utmost integrity** in all of my business transactions and in all my relations with customers, employees, suppliers, and competitors.
2. I shall **refrain from the use of false or misleading advertising** and will honor the written and approved purchase agreement of my customers.
3. I shall **make no false statements** or circulate harmful rumors about my competitors' product, business, or financial or personal standing.
4. I shall endeavor to **abide by present and future building standards** of the National Frame Building Association.
5. I shall make every effort to **preserve my customers' trust and good faith** by providing the service and repair parts that they may need.
6. I shall dedicate myself to the **promotion of professionalism** within my industry, and I shall work diligently to build and perpetuate continuing consumer faith and trust in the National Frame Building Association builders.
7. I shall faithfully **stand behind the work I perform** and the products I sell in accordance with manufacturers' recommendations and warranty.
8. I shall, in good faith, furnish to the proper building authorities all certifications regarding professional or structural engineering and loading standards that are required of me.
9. I shall **encourage my fellow employees, my fellow members** of the National Frame Building Association, and **my colleagues to adhere to this Code of Ethics.**

Help grow your business by joining this distinguished group of post-frame builders.”

—Bob Brisky, Fingerlakes Construction, Clyde, NY
