

Accredited Post-Frame Builder Renewal Form

To maintain Accredited Post-Frame Builder status, accredited companies are required to renew every two years by earning 12 Continuing Education Units (CEUs) within the previous 24 months, adhering to the NFBA Standards of Professional Conduct, completing a renewal form, and submitting an application fee. Employees of post-frame building companies can earn CEUs by attending educational programming at the *Frame Building Expo*, NFBA webinars, and other NFBA-approved programs.

- Our signature confirms that we have earned 12 CEUs in the past 24 months.
- Our signature attests to adherence of the NFBA Standards of Professional Conduct.
- We have included credit card information or a check payable to NFBA.
